**MEMORANDUM**

To: All Fantech Trade customers  
Company:  
From: Mark Berenger and the pricing committee  
Subject: *Fantech Trade Price Adjustment effective 1<sup>st</sup> October 2025*

---

Dear Valued Customer,

We are writing to inform you that Fantech will be implementing a price adjustment effective from Wednesday, October 1st, 2025.

We have made every effort to minimise the impacts of this pricing adjustment however this is necessary to maintain the high level of product and service Fantech provides. Fantech has absorbed additional costs where possible, however increases in supply chain costs and in particular the weakening of the Australian dollar against the Euro now necessitates a review of our pricing.

The finalised Price File will be issued by Monday, September 1st, 2025, to provide ample time for Fantech to forecast and negotiate further with our suppliers and partners to ensure that there is minimal change.

We value your continued support and thank you for choosing Fantech as your trusted supplier.

Best regards,

Mark Berenger
