

Price Notification - 1st February, 2026

Dear Valued Customer,

APS Industrial's commitment to maintain the highest level of service including stock availability and breadth of range is as strong as ever.

Our partnerships with the world's leading industrial manufacturers to bring the broadest portfolio in the industry to Australia, means we must analyse and respond to global markets and economic shifts periodically.

As such, please be advised that as of 1 February 2026, we will be implementing a list price adjustment across our entire portfolio (with the exception of Rittal).

This will consist of a 2.9% weighted average increase.

If you have any questions relating to the above, please contact your Account Representative or contact our national customer service team on 1300 309 303 or sales@apsindustrial.com.au.

Regards,

Simon Kearney

Sales Director, APS Industrial.
