Dear Valued Customer,

RE: B&R ENCLOSURES PRICE ADJUSTMENT EFFECTIVE 1st October 2025

B&R Enclosures wish to advise of an upcoming price adjustment. The change will be effective 1st October 2025.

This price adjustment is a result of the increasing of costs of materials, logistics, energy and labour.

As an Australian family owned and operated company for over 70 years, our goal is to continue to manufacture in Australia and employ people from our local communities. We have an active continuous improvement program to improve business efficiency while keeping costs as controlled as possible.

Prior to the adjustment taking effect, your local B&R sales representative shall be in contact to discuss any outstanding quotes and provide you with your updated pricing files.

Should you have any questions, please don't hesitate to contact your local B&R sales representative or local sales office.

We strive to deliver quality products and services at competitive prices, which our customers rely on.

On behalf of the team here at B&R Enclosures, I wish to express our sincere appreciation of your custom and we look forward to serving your future needs.

Best Regards,

Ben Bridges
Co-CEO
