Dear Valued Customer

Price Adjustment Notification

We wish to inform you that, due to sustained increases in fuel, plastic and inflation costs, our wholesale pricing will be adjusted effective 1st July 2026.

A few items will experience slight price adjustments to help us uphold the quality and support that our customers expect throughout our range. These changes won't follow a set percentage and will only apply to products significantly affected.

While we recognise the competitive nature of the market, and we remain committed to delivering strong value through product quality, consistency of supply, and reliable service.

Updated wholesale pricing schedules for Mercator & Brilliant, including all applicable changes and effective dates, will be communicated to all partners shortly.

We appreciate your continued support and look forward to working together as we navigate current market conditions.

Best Regards
