**Dear Valued Customer,**

At CLA Lighting, our priority has always been to provide you with high-quality products and exceptional service.

Due to rising costs in raw materials, freight, and the broader impacts of the current global economic situation, we must **implement a 3.5% price adjustment** across all products, with the **exception** of the items listed below:

- **GLS Range**
- **Heat Lamps**
- **CF Range**
- **Halogen Globes**
- **RAZORDM Range**
- **BAT Series**

Effective from **1st June 2026**, the updated pricing will apply to all products released prior to this date.

We encourage you to take advantage of current pricing and stock up before the new rates take effect.

We appreciate your ongoing support and look forward to continuing our partnership. If you have any questions, please feel free to contact our team.

**Best regards,**
