18 December 2025

Dear valued customer,

We are writing to communicate that Hager Electro Pty Ltd will be applying a price increase to all orders from the **1st February 2026**.

This increase has been driven by continuing inflationary pressure on our labour, freight, energy and logistic costs, as well as raw material and component cost increases which we are unable to fully absorb.

Adjustments to pricing will vary throughout the product portfolio refer to the attached price list.

If you have any questions please speak with your account manager. We thank you for your ongoing support and look forward to continuing a strong partnership with you in the years ahead.

Regards

Hager Electro Pty Ltd
