

Date: 30th April 2026

To Our Valued Partners,

We would like to thank you for your continued support and partnership. As part of our ongoing commitment to delivering reliable, high-quality products and strong technical support, we regularly review our pricing to ensure we can maintain the level of service and innovation expected from us.

Due to increasing costs in raw materials, manufacturing, freight and logistics, a **price adjustment will take effect from Monday 6th July 2026**. This update will apply across selected product categories. A detailed price list will be provided to you **30 Days prior** to the new pricing coming into effect, allowing adequate time for system updates and communication with your teams.

We want to reassure you that we remain focused on offering competitive value, consistent supply, and industry-leading support. Our local sales representatives are available to assist with any questions regarding the upcoming changes or to help plan your stock requirements during this transition.

Thank you for your ongoing partnership and commitment to our brand. We look forward to continuing to support your business and your customers.

If you require further information, please contact your local representative or our customer service team on **02 8522 5100**

Warm regards,

Jim Caruso
Marketing Manager
