## Price Change Notification – 18 April 2026

Dear Valued Customer,

Due to our previously communicated supply chain issues related to the Middle East conflict, we are seeing unprecedented increases in raw material and input costs together with significant increases in freight and fuel charges.

We wish to advise that Vinidex will be implementing a price increase effective 18<sup>th</sup> April 2026, across all product ranges as follows:

- **HDPE Pipe and Fittings** up to 36%
- **Twinwall Corrugated Stormwater Pipe and Fittings** up to 31%
- **PVC Pipe and Fittings** up to 27%

Please note, **any product not delivered by 18th April** will be subject to the updated pricing.

We appreciate your continued partnership and understanding as we navigate these unprecedented global supply challenges.

If you require further information, please contact your local Vinidex representative.

Yours sincerely,
