Dear Valued Customer,

RE: Price increase notification, as of 1st July 2025

Thank you for your continued support of Clevertronics.

Navigating global dynamics related to currency fluctuation, supply chain costs, cost of materials and componentry remain challenging, leading to the increase of our materials and services.

Clevertronics has endeavoured to absorb and offset these costs. While every effort has been made to mitigate these pressures, a price increase will apply as of 1 July 2025. The increases will vary across the different emergency luminaire and exit categories with an average weighted increase of 3.0%.

The Clevertronics team is currently preparing price files, which will be issued to you by 31st May 2025.

If you have any questions, please feel free to contact your Clevertronics representative.

Regards,

Justin Perryman
